Nineteenth-century Italy. A young woman arrives at a beautiful villa in the countryside outside Milan. As the seasons pass, the young watercolourist develops her art - inspired by the landscape around her - and attracts many admirers. And while most of the household's servants view her with envy, she soon develops a special affection for one housemaid, who, she is intrigued to learn, has mysterious origins . . . But as Bianca's determination to unlock the secrets of the villa grows, she little notices the dangers that lie all around her. Who is the mysterious woman she has glimpsed in the gardens?
